RE-BUILD THE LIBRARY

Friends of the Oakland Aviation
Museum Library

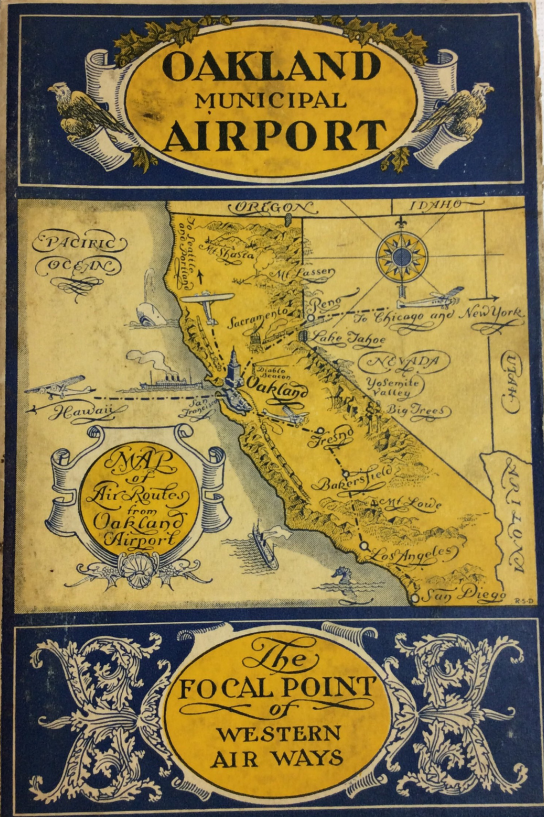

Our Mission

OUR CORE VALUES

Educate about the role of historic North Field at Oakland International Airport, Oakland and the Bay Area in the development of aviation on the West Coast and in the US by collecting, preserving and interpreting aircraft and aviation artifacts that reflect this proud heritage.

Celebrate the history and technological achievements of aviation.

Inspire individuals by linking aviation's past to the future.

Yes, I want to contribute to the **RE-BUILD THE LIBRARY** campaign at the Oakland Aviation Museum!

Renovation Goals

The goal of the renovation is to create a welcoming and open space for museum patrons and researchers. One that is not only organized and ADA friendly, but is also a modular space that can be reconfigured depending on the needs of the patron, researcher, or collection volunteers.
